

SSL Mobile Stage

The most cost effective mobile staging solution for everyday events.

The Stage is based around SSL purpose built trailers and is constructed for quick and easy erection.

As part of the overall SSL service we can supply the Stage branded to your own specific requirements for any event.

We can supply packages to include the following:

Mobile Stage
Mobile Space
Screen & PA Support Towers
Covered Viewing Platforms
Light & Sound
Fencing & Barriers
Cable Protection
Production Crew

All health & safety documents available upon request
